

# **EXHIBIT C**

Dear Warden

What I'm writing to you is concerning my level 2 Grievance form that should of been filed last month by Linda Hunter.

This woman has promised me a buttone bunk, meds for my Chronic Arthritis, and to see ~~and~~ a doctor concerning my Hepitis C.

But at this time she has not followed through with any thing that she has told me she would do.

Thats why I wouldn't sign off on the 3rd grievance form either.

It is up to me at this time to start seeking out side help.

And the reason why I'm writing this letter is to see what you comment or concern in this matter may be.

Sincerely Yours  
Harry T Collins
